

THE INSPECTION

128 points, **no skipped steps**

An independent mechanic goes through every car before it is listed. Here is where they look.

- ✓ Engine, oil and cooling system
- ✓ Transmission and drivetrain
- ✓ Brakes, rotors and pads measured
- ✓ Tires, tread depth and age
- ✓ Suspension, steering and alignment
- ✓ Electrics, lights and screens
- ✓ Rust, paint and panel gaps

CONDITION GRADES

One letter, **explained**

Every car gets a grade from the inspection, so you can compare quickly.

A

Excellent. Ready to drive, nothing needed.

B

Good. Minor wear, listed on the report.

C

Fair. Needs work, clearly described.

D

We do not list these cars.

BUYING IN FOUR STEPS

From search **to keys**

1

Browse the reports

Filter by body, year and distance.

2

Book a test drive

We bring the car to a place near you.

3

Ask anything

Your advisor answers from the report, not a script.

4

Sign and drive

We handle the registration and lien release.

Seven-day swap on every car
