

BUYING WITH GOODMILE

What you get

Four things come with every car on our site, so you never have to guess.

1

Inspection report

128 points, checked by an independent mechanic.

2

History check

Title, liens and accident records for Alberta.

3

Honest photos

Every scratch shown, in daylight.

4

Seven-day swap

Change your mind and exchange the car.

WHO WE ARE

A used-car site that shows its homework

goodmile started with a simple idea: buying a used car should feel like asking a friend who happens to be a mechanic. Every listing says what is good, what is not, and what we would check twice.
