YOUR FIRST VISIT

# Four tips for a good Saturday

Learned the hard way, by regulars.

- 1 Come early for bread**  
The best loaves are gone by ten.
- 2 Walk the whole market first**  
Then buy, so you know what you want.
- 3 Bring your own bags**  
And a cooler for the car in summer.
- 4 Ask what is good today**  
Every grower has an answer.
